# IT Redeployment Shortlist Template

To have a chance at successful redeployment, employees need to have solid job performance and a high degree of ability overlap with the target position.

Use this template to:

- Organize information about the new role, such as relevant knowledge, skills and abilities.
- Record the list of candidate employees and their relevant knowledge, skills and abilities.

Prepare for a more thorough assessment with a shortlist of candidates for redeployment.

Included in this ZIP file are:

- Intro Doc.pdf
- Terms and Conditions.pdf
- IT Redeployment Shortlist Template.doc
