Intranet Development Questionnaire

Assess the client's readiness for developing their own intranet. This questionnaire is an information-gathering tool for determining a client's business goals for establishing an intranet and the technical and organizational infrastructure that are in place to support the intranet. The information gathered is compiled and used as a basis for a goal-setting discussion.

Areas covered in this template include:

- Project Target Demographics
- Content Analysis
- Potential Capabilities

Use this template from gantthead.com to assess your client's needs.

Included in this zip file are:

- Intranet_Development_Questionnaire.doc
- Intro Doc.pdf
- Terms and Conditions.pdf
