Thank you for participating in IT Business Edge's IT Downloads. IT Downloads provides IT managers and other professionals with high-quality, useful information, documents, tools, and templates (collectively "Works" and individually a "Work") to support your business' success (collectively ITBusinessEdge.com and IT Downloads shall be referred to as the "Service"). By using the Service, you agree to the following terms and conditions of use and any changes or modifications made and published online from time to time without notice to you.

All published and downloadable Works, including those in the White Papers, IT Downloads and other sections of the Service, are exclusively for the personal or professional use of the individual or company that downloads the Works. No part of any Work on ITBusinessEdge.com may be reproduced, distributed, or resold in any form, by any means, without the express permission of the copyright holder.

Works of any type submitted to ITBusinessEdge.com must be submitted by the copyright holder or a designated representative of the copyright holder. By submitting a Work to ITBusinessEdge.com, you represent and warrant that you hold the copyright to the Work or have the express permission of the copyright holder to submit the Work.

By submitting a Work, you further agree to indemnify, defend, and hold harmless IT Business Edge and its subsidiaries and affiliates and their respective directors, officers, shareholders, employees, agents, clients and contractors from and against any loss, claim, demand, cost and expense (including reasonable legal fees) asserted by any third party due or arising from or in connection with the submitted Work. IT Business Edge reserves the right to assume the exclusive defense and control of any matter otherwise subject to indemnification by you, which shall not excuse your indemnity obligations.

All persons who submit Works to ITBusinessEdge.com grant to IT Business Edge an irrevocable, perpetual, world-wide, royalty-free, and non-exclusive license to redistribute those Works through ITBusinessEdge.com and other interactive channels. Any user who creates a derivative Work based on a Work on ITBusinessEdge.com hereby assigns the copyright to the derivative Work to the original copyright holder.

Documents or materials created explicitly for direct marketing campaigns should not be submitted to ITBusinessEdge.com for possible inclusion in the IT Downloads library.

Any Work known to be violating this policy will be removed immediately. Users that knowingly submit Works for which they do not own the copyright are subject to removal from ITBusinessEdge.com.
